

## *Village of Tahsis*

*Our File No.*

### **Free**

Due to a recent upgrade to LED lights, the Village of Tahsis would like to offer the used fluorescent fixtures to the public, free of charge, before they are recycled. Most are 4' - 2 or 4 bulb fixtures, and there are some 8' – 2 bulb fixtures as well. These will be offered at the Recreation Center Parking Lot on a “first come, first served” basis on Thursday, February 15th, from 10am till noon or until they are gone, whichever is first. Some light tubes will also be available. No returns, no guarantees. “As Is” only.
