

VILLAGE OF TAHSIS

Notice

Sewer Main Repairs March 13-23, 2018

Mar-Tech Underground Services Ltd. will be carrying out repairs to the Village sewer mains during this period.

Expect to see crews and equipment working throughout the Village.

This is the last component of the Village's Wastewater System Condition Assessment and Optimization Project funded through the Federal/Provincial Clean Water and Wastewater Fund program.

For further information call the Village Office at 250-934-6344. (After hours, please call (250)934-6344 and press "9" to leave a message on the radio system)
