

Tree Farm Licence 19 Draft Information Package available for Review and Comment

TFL 19, held by Western Forest Products Inc., covers roughly 170,000 hectares of land on west central Vancouver Island around Nootka Sound. The process of gaining approval of Management Plan #11 and determination of a new allowable annual cut (AAC) for the TFL is underway.

The Information Package provides a summary of data, assumptions, and modelling procedures proposed for use in the Timber Supply Analysis. The draft Information Package is available for review from **June 5, 2019** until **August 6, 2019** during normal business hours at the following locations:

- WFP Gold River office, 300 Western Drive, Gold River. Ph: (250) 283-2221
- WFP Corporate office, #118-1334 Island Highway, Campbell River. Ph: (250) 286-3767
- Ministry of Forests, Lands, Natural Resource Operations & Rural Development, 370 S Dogwood Street, Campbell River. Ph: (250) 286-9300

You can also find the draft Information Package at:
