MEDIA RELEASE

FOR IMMEDIATE RELEASE

OCTOBER 19, 2017

TAHSIS – Village of Tahsis Recreation Centre now offers free public use of its swimming pool, weight room, gym and sauna.

Tahsis Council adopted a new fees and charges bylaw which eliminates fees for most Recreation Centre facilities and equipment at its October 17th regular meeting.

“Council’s priority is to maximize the use of this facility to improve the health and wellness of residents and visitors,” said Mayor Jude Schooner.

“Removing the fees means that everyone, regardless of financial means, is welcome to use the Recreation Centre. We hope this becomes a selling feature for those looking to re-locate to Tahsis”

Recreation Centre passholders who are eligible for refunds will be notified by the Village.
