PUBLIC INFORMATION ANNOUNCEMENT

FOR IMMEDIATE RELEASE

JANUARY 24, 2017

TAHSIS – Village of Tahsis has been awarded a \$24,935 grant to purchase emergency preparedness supplies and equipment.

The grant is made possible through the provincial government's Community Emergency Preparedness Fund, which is administered by the Union of BC Municipalities. The grant covers 100% of the project costs.

The project will include purchasing two C-cans to store emergency equipment and supplies including generators, heaters, food, tents and tarps. Council has approved installing these containers in the townsite playground on Resolution Road.

"We are very pleased that our grant application was approved for funding. The recent tsunami warning event was a real life reminder of the importance of emergency preparedness," said Mayor Jude Schooner. "This funding will provide the Village with critical emergency equipment and supplies which will be securely stored in a high ground location."
