

# ***FREE WOOD DEBRIS REMOVAL***

**When:** Saturday July 14<sup>th</sup>, 2018  
Saturday August 11<sup>th</sup>, 2018

**Where:** Tahsis Firehall – 167 Head Bay Road

**When:** 12:00pm – 6:00pm

## **RULES**

- **No rocks**
- **No nails**
- **No roots longer than 3 inches**

Preparing for the threat of wildfire is a shared responsibility. From home owners, to industry and government we all have responsibility to lessen the effects of wildfire. The Village of Tahsis applied for and received a FireSmart Grant through the Union of BC Municipalities, which we are using to provide wood debris removal over two Saturdays at the Tahsis Firehall.

Bring your brush, yard waste and tree debris by and have it taken away by Adam's Tree Services. Besides having a non-combustible roof; removing brush, yard waste and tree debris are the most significant immediate steps that homeowners can take to protect their property. Regular maintenance and cleaning the corners and crevices of your home and yard (where needles and debris build up) will leave nothing for embers to ignite. Fire embers may seem small, but they should not be underestimated — 50% of home fires caused by wildfires are started by sparks and embers.

This service will be provided by Adams Tree Services Inc.
