

Village of Tahsis

WORK ORDER# _____

WORK ORDERED

Please perform the following work, to be charged at the standard Village rates for equipment and labour, including overtime as required. I/We understand that, if circumstances require the withdrawal of either equipment or labour, the village will not be liable for any resultant loss to me/us. It is further understood that any work done outside the normal working hours of the employees concerned will be charged at overtime rates. Similarly, if, at the discretion of the Director of Infrastructure and Operation or representative, urgently-requested work is done during working hours, but causes the normal work of the department to be done on overtime, the overtime rates will be charged against this work order.
