

OPEN BURNING REQUIREMENTS

All Open Burning requires a permit under Village bylaws.

What is an Open Burn?

An Open Burn is outdoor burning which is more than 1 meter high and 1 meter wide. It does not include campfires.

How to obtain a Permit

The application form is available online at

<http://villageoftahsis.com/wp-content/uploads/2016/08/burning-bylaw-516.pdf>

Forms are also available at the Village Office or the Tahsis Fire Hall during regular business hours. The fee is \$30.00.

An Open Burn permit must be signed as approved by the Tahsis Fire Chief or designate.

Property owners are liable for all costs associated with a Fire Department response in the event of a hazardous, escaped or threatened to escape open burn fire.

After last summer's wildfires within the Tahsis vicinity fire safety is paramount. Please do your part.
