Tahsis Road Upgrades Project

Temporary Water shutdowns – South Maquinna Area

This is a specific Notice to Residents in the area of South Maquinna .

Hazelwood, working with the village of Tahsis, will be completing tie-ins of the new water system on South Maquinna on Weds 19 June /Thurs 20 June. During those days there will be no water service to a number of customers in the South Maquinna area, so if water is needed please prepare by making temp storage. **Water service will be resumed each evening** and you should only be affected on one or the other of those 2 days.

Emergency Hazelwood contacts for this project are:

- Site Superintendent --- Stephen Peberdy 250 756-6985
- Project Manager – Jeff Stevens 250 756-6907
- Hazelwood Nanaimo office 250 716-1940

While Hazelwood staff are certainly approachable with emergency concerns it is asked that all general enquiries , observations and unlikely complaints be directed to the Project Manager working on behalf of the Village of Tahsis for processing.

Project contact for Tahsis is:

- **Tahsis Construction Manager --- John Manson, P.Eng jscmanson@gmail.com
phone 250 412-9767
cell 250 510-7737**

Sincerely;

Jeff Stevens, ASCT
Project Manager,
Hazelwood Construction Services Inc
