

Sub-Contractor Opportunity with Mainroad North Island

Two positions available for subcontracting by Mainroad North Island.

Duties include weed eating and brush cutting along the Head Bay Road west end out of Tahsis. Reporting to the Gold River Foreman once per day and keeping a record of areas completed.

With these positions you are able to make your own schedule between Monday to Friday with a minimum of 3 work days per week.

The successful candidates will meet all safety requirements and be able to provide their own equipment and safety gear.

If interested please call Julie Brown at 250-283-2298.
