

BE PREPARED FOR WINTER STORMS AND POWER OUTAGES

On September 19th, BC Hydro will lead a community information session on winter storm preparation/power outages.

When an emergency occurs, the most important person is you. If you are well prepared, you will be in a better position to help your family, friends, neighbors and pets. Your first priority is always personal safety.

Topics to be covered include:

- *Supplies residents should have on hand;
- *Our evacuation procedures and routes;
- *The roles of first responders during an emergency;
- *emergency notifications; and
- *Our emergency support services - warming/reception centres during power outages.

WHERE: Tahsis Recreation Centre

WHEN: Thursday, September 19th

TIME: 7:00pm - 8:30pm
