

OFFICIAL COMMUNITY PLAN PUBLIC MEETING AND OPEN HOUSE

Tahsis is updating its Official Community Plan (OCP). This is the long-term vision for our community regarding land, community facilities, infrastructure and environment. OCPs help manage growth and development. The OCP directs all other municipal plans (including strategic and financial plans), bylaws, and ultimately capital projects.

With funding from the provincial government and support from an Advisory Committee which includes local residents, a draft OCP has been prepared along with a new land use plan, and development permit area maps.

To learn about the draft OCP and have further input into the future of Tahsis, please consider attending the public meeting and Open House:

**Thursday, October 17th, 2019
1:00-5:00 PM
Tahsis Recreation Centre**

Representatives from McElhanney Ltd., Village staff and the Advisory Committee will present the draft OCP and noted changes from the existing OCP, adopted in 2010, and will be available to answer questions.

Light refreshments will be served.
