

<i>Village of Tahsis</i>	File #: VOT 005
TITLE: Municipal Trails Safety Plan	Number of Pages

PURPOSE

This Safety Plan describes the policies, guidelines and procedures to reduce the risk of transmission of COVID-19:

- for the public when using the trails; and
- for staff assigned to repair and maintain trails, manage waste and to clean public toilets at the trails

PROTOCOLS

WorkSafe BC Protection Levels 1 through 4 are implemented based on the type of activity.

TRAILS

- Cardiac Climb Trail
- Ubedam Trail
- Leiner Trail (including Pete’s Farm)
- Forest Walk (behind the Captain Meares Elementary Secondary School)
- Bull of the Woods Trail

SIGNAGE

- Cardiac Climb Trail, Ubedam Trail and the Forest Walk have signs posted reminding users that social distancing is required when using the Trail.
- The Leiner Trail has signs directing hikers to follow one-way routes and social distancing required signs along the Trail.

PUBLIC TOILETS

- All public toilets , including those located at local trails, are cleaned each day seven days a week
- Hand sanitizer stations are available at all public toilets.

TRAIL MAINTENANCE AND REPAIR, WASTE MANAGEMENT AND CLEANING OF PUBLIC TOILETS

For Worker and Vehicle Protocols for Trail Maintenance and Repair, Waste Management and Cleaning Public Toilets see Operations/Public Works Safety Plan.
