**NOTIFICATIONS!**

The Strathcona Regional District offers a free notification service to keep residents, visitors and businesses informed of emergencies in a timely manner. Visitors sign up temporarily for the number of days they are in the region.

SRD's emergency notifications are delivered by both text message and voice calls to landlines and cell phones to subscribers.

If you know someone who wishes to receive notifications but does not have internet access, please sign-up for them or have them call the Strathcona Emergency Program at 250-830-6702 to get registration support. You can sign up at:
