## DEVELOPMENT PERMIT - CHECK LIST FOR FLOOD HAZARD DPA

---

**All of the information listed below must be included in Development Permit application for a subject property located in a Flood Hazard Development Permit Area. This information is in addition to the general requirements for all development permits.**

**Staff will not begin processing your application until all required information has been provided and the application complete.**

- A site-specific investigation and reports by a qualified registered professional with appropriate education, training and experience in floodplain mapping and analysis in British Columbia. The report shall include, in reference to the 2019 Flood Risk Assessment and Floodplain Management Bylaw:
  - Potential for erosion or flooding
  - Potential impacts of proposed development relative to flood condition hazards
  - Required flood proofing or other measures needed to provide suitable protection of structure intended for human occupancy
