

Village of Tahsis

Effective January 19, 2021

Mainroad North Island has advised culvert replacements are under construction on the Head Bay Forest Service Road until Friday January 22nd. During this period the road will be reduced to single lane alternating traffic with up to 20 minute delays.

Shoulder grading is also planned for this week.

Work is scheduled from 8 AM to 5 PM daily.

Mainroad asks drivers to please show respect for all roadside crews by slowing down.

Mainroad's 24-hour communications and dispatch office will pass on all your observations and concerns to our crews when contacted. As always, a reminder to visit www.drivebc.ca.
