

Utilities Operator

Located on the spectacular unspoiled west coast of Vancouver Island, the Village of Tahsis is a world renowned sport fishing and ecotourism destination with unparalleled outdoor recreation opportunities hiking, kayaking, caving, wildlife viewing, scuba diving and all manner of water sports.

Reporting directly to the Director of Operations, the Utilities Operator:

- Operates and maintains municipal water and sanitary sewer utilities.
- Reports, collects data and maintains work logs as required by the Director of Operations.
- Responds to public inquiries, as necessary.

MINIMUM QUALIFICATIONS/REQUIREMENTS:

The successful applicant must hold: EOCP Water Distribution Level I

(Applicants may be considered that are working towards certification; however, certification must be obtained within 18 months of hire, or the incumbent may be terminated.)

Other Qualifications/Requirements:

- minimum of 2 years' experience in making decisions in the field and in emergency/repair situations.
- working knowledge of underground utility systems.
- ability to exercise considerable independence of judgement and action in the operation of equipment and during utilities maintenance activities.
- training and/or experience in confined space and safe work procedures.
- Proficient with cell phone and computer use specifically MS Office and MS Office 365, specifically Word, Excel, Outlook.
- The ability to navigate online meetings using Zoom or MS Teams.
- maintain a valid Class 5 BC Driver's License

WAGE: Starting wage of \$22.00 per hour plus extended medical and dental benefits and enrollment in the Municipal Pension Plan. Overtime rates as per the *Employment Standards Act*.

HOURS OF WORK: Monday-Friday 7:30-4:00 plus call-outs at overtime rates. Flexible work schedule is possible. Applicants are asked to submit a letter describing their relevant experience, and/ or a resume to reception@villageoftahsis.com.

This opportunity cancels any previous postings and remains open until the position is filled.
