

## Notification of Road Closure Extension: Alpine View Road

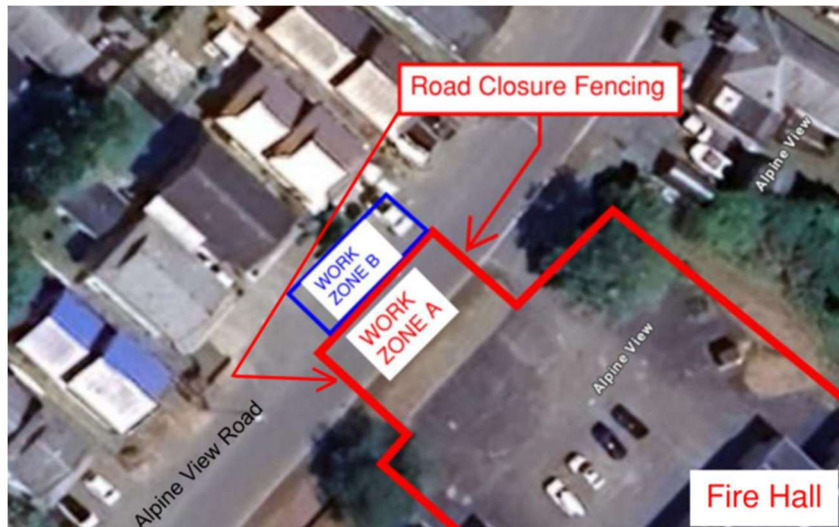

Alpine View Road will be temporarily closed to vehicle and pedestrian through-traffic between Quadra Street and Rogers Street while construction is underway. The purpose of this closure is to connect utility services to the new Fire Hall building.

**Original Closure Date: March 18th, 2025 from 6:30am to 6:30pm**

**Revised Extended Closure: March 18th, 2025 from 6:30am to **March 21st at 3:00pm****

During the closure, a detour route will direct traffic to N. Maquinna Drive via either Quadra Street or Rogers Street. Clear directional signage and barricades will be set up to guide vehicles and pedestrians away from the closed area.

Residents of Alpine View Road will have access to driveways during the road closure, with the exception of the properties directly adjacent to the work zones. These properties will have restricted driveway access for the duration of the closure. We kindly request that these residents park streetside away from the work zones for the above scheduled dates. Note that pedestrian access to properties will never be restricted.

If work does not proceed on the above date, an updated notice will be issued.

For any concerns on the day(s) of the road closure, please contact the Site Supervisor, Justin Stokes: 250-802-5773

If you would like any further details please contact Nora Hudson, Project Manager for Makon Projects: 778-744-3537 [nora@makon.ca](mailto:nora@makon.ca)
