

Village of Tahsis

May 25, 2026

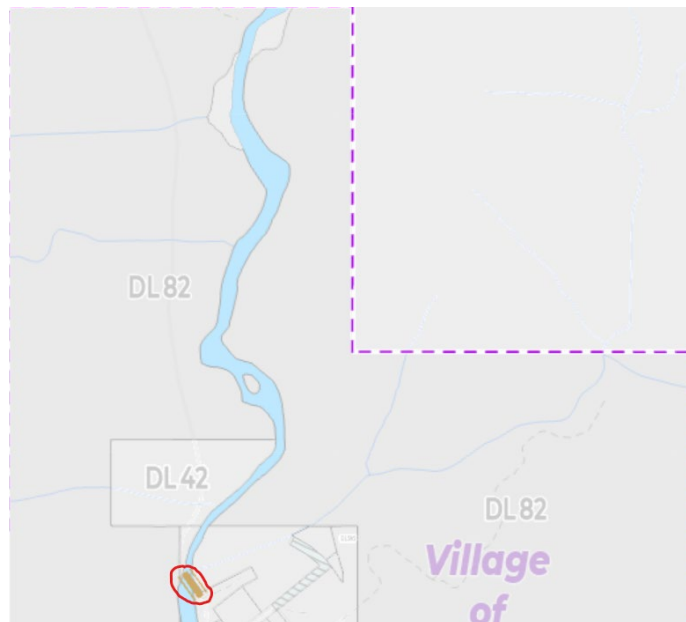

To: Tahsis and Area First Responders, Tenure Holders, Businesses and Residents

Re: Notice of Perry Brothers Bridge Closure - UPDATE

Please be advised that the demolition of the bridge decking will commence today. The bridge will be closed for vehicle and pedestrian access for up to two weeks, and possibly longer. The bridge may open on occasion to allow Village vehicles to access to the Comox Strathcona Waste Management landfill. Updates on bridge access will be posted on the Village website.

Curbside garbage service will continue uninterrupted on Wednesdays. All persons are requested to limit their disposal of solid waste and to not use the Free Store and recycling area as a garbage depot. Please respect bridge construction crews and follow their direction.

First responders, tenure holders and other stakeholders requiring access to District Lots 42, 595 and 82 and Crown land north of the bridge during this period should make alternative arrangements. The bridge location is shown below.

Questions can be directed to the Village office at reception@villageoftahsis.com or at the phone number below.
